

WANTED

100 CHIROPODISTS

Join us in May as part of **FOOT HEALTH MONTH**. The Ontario Society of Chiropractors is looking for 100 chiropractors to give a 15 minute talk at their neighbourhood school in the month of May - it could even be your own child's classroom.

A sample script and materials will be forwarded to participating chiropractors. All you have to do to take part is to book a time in a classroom in May with a school near you and let us know.

Media coverage is being arranged and participants will be listed wherever we can get coverage. This is a great opportunity to get your name out there in your community.

To sign up please email your contact information by February 28, 2012 to info@ontariochiropractor.com with the subject line reading FHM 2012.
